

Roadmap for all engineering majors except Civil Engineering

* For students from the Mechanical Engineering Major, MECH 471 will be counted in the Minor only and Not in the Mechanical Engineering Major. Students should take other elective courses to satisfy the Major requirements of electives.

List of electives:

- Selected topic II: Sustainability and Lifecycle Cost MECH 472 (3)
- Human Resource Management MAGT 302 (3)
- Risk and Safety Management CVEN 464 (3)
- Selected Topics in Construction Engineering and Management CVEN 482 (3)
- Quantitative Analysis in Engineering Projects CVEN 483

Core courses
 Credit hrs (12)
 Courses (4)

Elective Courses
 Credit hrs (6)
 Courses (2)

Concurrent Pre-requisites

The concurrency indicator is used to modify a pre-requisite requirement and indicate that the prerequisite course can be taken either in an earlier term or in the same term as the course in which registration is attempted.
