

Roadmap for Civil Engineering major

\* The course has CVEN 380 as prerequisite. For students in the Minor, it will be counted in the Minor only and Not in the Civil Engineering Major. Students should take other elective courses to satisfy the Major requirements of electives.

List of electives:

- Selected topic II: Sustainability and Lifecycle Cost MECH 472 (3)
- Human Resource Management MAGT 302 (3)
- Risk and Safety Management CVEN 464 (3)
- Quantitative Analysis in Engineering Projects CVEN 483

 Core courses  
Credit hrs (12)  
Courses (4)

 Elective Courses  
Credit hrs (6)  
Courses (2)

 Concurrent Pre-requisites

The concurrency indicator is used to modify a pre-requisite requirement and indicate that the prerequisite course can be taken either in an earlier term or in the same term as the course in which registration is attempted.
