

Shaping the Future of Health Together

The College of Health Sciences is a member of the QU Health Sector

QU Health Sector is the national provider of higher education in health and medicine. Launched in 2017, in line with Qatar's National Vision 2030 for education and health, to address the country's evolving needs and healthcare system. Our vision is to be recognized regionally for excellence in interprofessional health education and interdisciplinary health research.

We have nine health professions programs: Pharmacy, Medicine, Dental Medicine, Nursing, Biomedical Sciences, Nutrition & Dietetics, Physiotherapy, Public Health, and Speech & Language Pathology in five colleges.

ADMISSION REQUIREMENTS:

Why Study Biomedical Sciences at Qatar University?

1

The program enables graduates to be eligible to sit for the Board of Certification Medical Laboratory Scientist (MLS) examination administered by the American Society for Clinical Pathology (ASCP).

2

The first academic program outside of the United States to receive accreditation by NAACLS (The National Accrediting Agency for Clinical Laboratory Science) (April 2012 to April 2030).

3

The Biomedical Sciences Department at QU offers two Certificate Programs: Advanced Clinical Practice and Laboratory Management.
