Dear President Al-Ansari:

At their October 24-25, 2025, meeting, the Directors of the National Architectural Accrediting Board (NAAB) reviewed the application for Qatar University's Continuing International Certification. The Directors granted Continuing International Certification to the Bachelor of Architecture degree for a term of six years, effective January 1, 2025. The program is scheduled for its visit for Continuing International Certification in Spring or Fall 2031.

Based on the NAAB review, the Board determined that the program does not have any Conditions and/or Student Performance Criteria (SPCs) identified as not-met. NAAB will provide the program director with information regarding the next site visit under separate cover.

Further, the program is required to make the following documents available, in their entirety, on the University website:

- 2025 Visiting Team Report
- Program Self-Evaluation Report prepared for the 2025 visit
- 2019 Conditions for NAAB International Certification
- 2019 Procedures for NAAB International Certification

Thank you for your support of quality assurance in architecture education. Please feel free to contact us with any questions at international@naab.org.

Sincerely,
Jeffrey L. Day, FAIA, NCARB
