Speaker:

Dr. Abdulbaset Elfituri: Chairman of the Libyan Clinical Pharmacy Residency Program (LCPRP). Professor of Clinical Pharmacy Practice. University of Zawia. Libya

Dr. Abdulbaset Elfituri has a PhD in Clinical Pharmacy Practice, University of Bradford, UK; an MSc (with Distinction) in Health Promotion, Brunel University, London, UK & another PhD in Health Education & Promotion, Brunel University, London, UK. Dr. Elfituri was recognized by “Who’s Who in Science & Engineering”. He has several publications in the field, involved for decades in the training of health care professionals, and has been exposed to international experience by being involved in schools of pharmacy at some universities of the UK & Canada.

Mission

To prepare our students to provide optimal pharmaceutical care and advance health care outcomes, to promote research and scholarly activity, and to serve as a pharmacy resource for Qatar, the Middle East and the world.

Vision

Advancing healthcare in Qatar and the world through excellence and innovation in pharmacy education, research and service.
