Instructions for participating in a virtual class

You should be able to attend a virtual class with your teacher and classmates. Your teacher will be presenting material and talking to you to explain what to do. Here is what you can do as a student/participant:

- Sit in a quiet and suitable place to be able to participate and get the maximum benefit from the lesson
- Follow your teacher's instructions
- Watch your teacher's presentation or video
- Participate with the chatting and other available tools
- If your teachers gives you permission, you can open your microphone or camera to speak
- If your teacher gives you permission, you can upload a file to present it to your class
- Leave the class when finished

How to join virtual class through Class Collaborate?

You can join your online session using a web link or from your Blackboard course. Your teacher will inform you which method to follow:

- **From a web link**

If your teacher sends you a link to join the session, wait until the specified date and time of the online session and then open the link in one of the specified browsers above and then:

1. enter your full name followed by your Student ID, so the teacher can register your attendance
2. Click **“Join Session”**

- **From your Blackboard course**

On the specified date and time of the online session, login to your Blackboard course and:

1. Open the “**Distance Learning**” link from your course menu
2. Click on the session name for today
3. Click “**Join session**”
