

## REPLACE THIS SENTENCE WITH THE TITLE OF YOUR ABSTRACT.

A. B. Author<sup>1</sup> and C. D. Author<sup>2</sup>, (Upto 3-4 Authors)

<sup>1</sup>Affiliation (include full mailing address and e-mail address if desired) for first author, <sup>2</sup>Affiliation for second author (full mailing address and e-mail address).

**Abstract:** (Limits 350 Words) Replace these instructions with the text of your abstract. Do NOT delete the section break above. The text will appear in two columns that are each ~3 inches wide. Page margins are set to be one inch on all sides. If you are including tables or figures, they MUST be imported into this file.

This template is designed to accommodate abstracts for the Aluminium for a Greener Tomorrow; it is your responsibility to be aware of the guidelines (length restrictions, file size, etc.) for a particular meeting. These will be detailed in the Call for Abstracts section of the meeting announcement.

The text will automatically wrap to a second page if necessary. The running head on the second page of this template has been eliminated intentionally.

**Digital Formats:** Any image file format that can be imported into this file will be acceptable for publication; to avoid technical problems, we suggest using TIFF (.tif) or GIF (.gif) files for photographs, and encapsulated PostScript (.eps) We ask that you use smaller-format files whenever possible.

**Heading Styles:** The section heads in this template use the correct style (upper and lower case, bold, followed by a colon). The format for second-level heads is show below:

*Sample of a level-two head.* Automatic paragraph indents are imbedded to appear every time you use a hard return. If you're using the spell checker and it doesn't seem to be working, check the "Language" option under the "Tools" to make sure that "No Proofing" isn't selected as the default. You should also check that the default font is Times New Roman and not New York (this conversion takes place on some Macintosh systems).

**Acknowledgments:** If applicable; provide an acknowledgment.

**References:** Use the brief numbered style common in many abstracts, e.g., [1], [2], etc. References should then appear in numerical order in the reference list, and should use the following abbreviated style:

[1] Author A. B. and Author C. D. (1997) *JGR*, 90, 1151–1154. [2] Author E. F. et al. (1997) *Meteoritics & Planet. Sci.*, 32, A74. [3] Author G. H. (1996) *LPS XXVII*, 1344–1345. [4] Author I. J. (2002) *LPS XXXIII*, Abstract #1402.

**Please DO NOT Submit Duplicates of Your Abstract;** should you find it necessary to replace or repair your abstract PRIOR TO the submission deadline, return to the **abstract submission portion** of the meeting portal and click on the "Update" link that appears next to the title of the abstract you submitted.
