

## Train the Trainer for Welcoming the World - FIFA World Cup Qatar 2022™-Service Excellence

A training of trainers program was presented to welcome the fans of the World Cup - FIFA Qatar 2022 - in cooperation with the Supreme Committee for Legacy and Projects. The program targeted trainers for workers in the first ranks of the concerned employees in receiving and serving the World Cup fans from various sectors, governmental and security institutions, Hamad International Airport, the health sector, the transportation sector and customs. Eighteen training groups have been provided and more than four hundred coaches from different authorities in the country have been trained to contribute to the success of the FIFA World Cup Qatar 2022 event.
