

القطاع الدوائي في قطر: يداً بيد في مواجهة الحصار

Medication Sector in Qatar: Hand in Hand Facing the Blockade

Theme 1: Medication Management and Accessibility to Medication in Qatar

Theme 1 Objectives:

- Discuss the impact of the blockade on the right to health under the international law;
- Understand the process of ensuring access to medicine in Qatar pre- and post-blockade;
- Identify means to suggest therapeutic alternatives for unavailable/and or available medications;
- Identify initiatives to improve access to generic medications
